DIRECTORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2013

The Directors present their annual report together with the audited financial statements of Basildon Academies (the Academy) for the year ended 31 August 2013. The Directors confirm that the Annual report and financial statements of the Academy comply with the current statutory requirements, the requirements of the Academy's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

a. Constitution

The Academy Trust is known as The Basildon Academies ("the Academy") and is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust.

The Directors act as the trustees for the charitable activities of Basildon Academy Trust Limited and are also the directors of the Charitable Company for the purposes of company law. The Charitable Company is known as The Basildon Academies.

Details of the governors who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

There were two statutory Directors at the start of the period, both were also Governors. However, M Turner resigned as a Governor on 31 August 2013. The Board of Directors delegate the management of operations of the Academy to the Board of Governors.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Method of recruitment and appointment or election of directors

The number of directors shall be not less than one but unless otherwise determined by ordinary resolution shall not be subject to any maximum.

- Any additional Directors

The Principal Sponsor can appoint up to 12 Directors and the Secretary of State may appoint one Director.

Governing Body

The Directors under the Articles of Association have appointed a Governing Committee to be responsible for the statutory and constitutional affairs of the Charitable Company and the management of the Academy.

The committee can have a maximum of 15 members which include:

- the Principal of the Academy;
- one elected parent/guardian of a pupil at the Academy;
- one elected non-teaching staff member employed at the Academy;
- one elected teacher member employed at the Academy
- one person appointed by the appropriate LA; and
- such other members as the Directors decide.

The Governing Body meets regularly and is advised by a range of sub-committees which includes the Staffing and Finance Committees, the Admissions Committee and the Academy's Health and Safety Committee.

Details of the Governors who served throughout the year are included in the Reference and Administrative Details on Page 1.

d. Policies and procedures adopted for the induction and training of trustees

The training and induction provided for new Directors and Governors will depend on their existing experience. Where necessary, induction will provide training on charity and educational, legal and financial matters. All new Directors and Governors will be given a tour of the Academy and the chance to meet with staff and students. All new appointees are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documents as appropriate that they will need to undertake their role.

e. Organisational structure

The structure consists of three levels: the Governors, Executive Leadership Team and The Senior Leadership Team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

THE BASILDON ACADEMIES
(A company limited by guarantee)

DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2013

The Governors are responsible for setting general policy, adopting an annual plan and budget, monitoring the Academy by the use of budgets and making major decisions about the direction of the Academy, capital expenditure and senior staff appointments.

The Executive Leadership Team includes the CEO, Principal, Heads of Academy, Deputy Heads of Academy and the Director of Finance and Operations. These managers control the Academy at an executive level implementing the policies laid down by the Governors and reporting back to them. As a group, the Executive Leadership Team is responsible for the authorisation of spending within agreed budgets and the appointment of staff, though appointment for posts in the Executive Leadership Team always contain a Governor. Some spending control is devolved to other management including Directors, Faculty Heads and in some cases specialist teachers with responsibilities.

Each Academy has a separate Leadership Team structure led by the Head of the Academy; the Head of Academy is however accountable to the Principal and is a member of the Executive Leadership Team. These managers are responsible for the day to day operation of the Academy, in particular organising the teaching staff, facilities and students.

f. Connected organisations, including related party relationships

The Stanton Lane Educational Trust is the principle sponsor. A trustee of that trust, Martin Finegold is a Director of the Academy and since the Academy's founding has provided voluntary advisory support and guidance to the Academy.

g. Risk management

The Directors and Governors have assessed the major risks to which the Academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances. The Directors and Governors have implemented a number of systems to assess risks that the Academy faces, especially in the operational area and in relation to the control of finance. They have introduced systems, including operational procedures and internal financial controls in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

h. Directors' & Governors' Indemnities

The Academy's insurers indemnify against any claims in respect of any civil liability and which arises out of the conduct of the insured in their personal capacity as a Director, Governor, Trustee or Officer of the Academy.

i. Principal activities

The principal activity of the Charitable Company is the operation of The Basildon Academies to provide education for pupils of different abilities between the ages of 11 and 19 with an emphasis on Mathematics & Enterprise.

DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2013

In accordance with the Articles of Association, the Charitable Company has adopted a funding agreement approved by the Secretary of State for Education. The funding agreement specifies, amongst other things, the basis for admitting students to the Academy, the catchment area from which the students are drawn, and that the curriculum should comply with the substance of the national curriculum with an emphasis on Mathematics & Enterprise

OBJECTIVES AND ACTIVITIES

a. Objects and aims

The objects of the Charity are to promote and to provide for the advancement and education of children. In the furtherance of these Objects the Directors, as the charity trustees, have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to the Charity Commission's published general and relevant sub-sector guidance concerning the operation of the Public Benefit requirement under the Act. All activities undertaken by Academy are for the public benefit.

The main objective of The Basildon Academies during the year ended 31 August 2013 was to provide an inclusive environment that is built around trust, openness, secure relationships, positive behaviours and effective partnership-working to enable all students to meet their potential and will equip these students with the skills, attitudes and knowledge so that they can progress into employment, further training or higher education, helping them to achieve more than they thought possible.

The priorities for the Academy during the year ended 31 August 2013 are summarised below:

- To ensure that each pupil enjoys the same excellent education in terms of resourcing, tuition and care.
- To raise the standard of educational achievement of all pupils.
- To improve the effectiveness of the Academy by keeping the curriculum and organisational structure under continual review.
- To provide value for money for the funds expended.
- To comply with all appropriate statutory and curriculum requirements.
- To maintain close links with primary schools, industry and commerce.
- To conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

b. Objectives, strategies and activities

The Basildon Academies' strategy is encompassed in its aims and objectives stated above. To this end it recognised the need to be innovative and challenging in the approach to:

- the subdivision of the two Academies' populations by age range (11-14 and 14-19);
- the grouping of students;
- the organisation, management and governance of the Academies;
- the curriculum design and the approach to the Academies' specialism;
- the building design and organisation of the learning environments;
- the organisation, management and development of staff;
- the delivery of services that support individual pupils and families;

THE BASILDON ACADEMIES
(A company limited by guarantee)

DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2013

- the way business is engaged, and how the two Academies can impact on the prosperity, effectiveness and development of the local community and future business;
- the celebrating of success, the setting of targets and the robust monitoring of performance.

Equal opportunities

The Governors recognise that equal opportunities should be an integral part of good practice within the workplace. The Academy aims to establish equal opportunity in all areas of its activities including creating a working environment in which the contribution and needs of all people are fully valued.

Disabled persons

Lifts, ramps and disabled toilets are installed and door widths are adequate to enable wheelchair access to the Academies. The policy of the Academy is to support recruitment and retention of students and employees with disabilities. The Academy does this by adapting the physical environment, by making support resources available and through training and career development.

c. Public benefit

The Governors acknowledge the duty in Section 4 of the Charities Act 2011 to have due regard to the Charity Commission's published general and relevant sub-sector guidance on public benefit. We have referred to this guidance when reviewing our aims, strategy and in planning future activities. All activities undertaken by the Academy are for the public benefit.

The Academy is specifically restricted to advance, for the public benefit, education in the United Kingdom and reports annually on the way in which it has successfully delivered in this regard.

ACHIEVEMENTS AND PERFORMANCE

a. Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

b. Key financial performance indicators

Governors assess performance of the academies through:

- Pupil numbers;
- Curriculum events;
- Exam results

FOR THE YEAR ENDED 31 AUGUST 2013

- Facilities;
- Post 16 learning and students moving onto University;
- Staff Performance Reviews.
- Visits to the Academies

c. Review of activities

The Academy is in its fourth year of operation and both the Lower and Upper Academies were put into Special Measures in March 2012. The Lower Academy was successfully removed from this category in October 2013 and the Upper Academy was removed in December 2013.

The Academy achieved improved results in the 2013 GCSE examinations, with 46% of students achieving five or more GCSEs at grades A -C, including English and Maths a 25% increase since the start of operations.

To ensure that standards are continually raised the Academy operates a programme of observation of lessons; is visited by inspectors; undertakes a comparison of results from entry to Key Stage 3 and from Key Stage 3 to GCSE and from GCSE to A Level to assess the added value. The Academy also participates in national programmes looking at added value through the key stages.

FINANCIAL REVIEW

The Academy's principal income is from the DfE in the form of recurrent, restricted grants. The grants received during the year ended 31 August 2013 and the associated expenditure are shown in the Statement of Financial Activities.

The Academy also receives grants for fixed assets from the DfE. In accordance with the Charities Statement of Recommended Practice, 'Accounting and Reporting by Charities' (SORP 2005), such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund.

The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

At 31 August 2013 the net book value of fixed assets was £631,000. Movements in tangible fixed assets are shown in Note 14 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

During the year ended 31 August 2013, total expenditure of £12,689,000 (2012: £11,529,000) was covered by recurrent grant funding from the DfE together with other incoming resources. The net incoming resources from private and public funds totalled £151,000 (2012: net incoming resources £330,000). Total reserves at 31 August 2013 before deducting the pension scheme deficit, totalled £1,594,000 (2012: £1,400,000) and this is made up of: restricted general funds of £538,000 (2012: £495,000); restricted fixed asset funds of £631,000 (2012: £568,000) and unrestricted free reserves of £425,000 (2012: £337,000).

The deficit in the Local Government Pension Scheme (LGPS) is recognised in the balance sheet in accordance with FRS17. At 31 August 2013, the deficit stood at £5,094,000 (2012: £4,863,000) resulting in net liabilities including the pension scheme liability of £3,500,000 (2012: Liability £3,463,000). The existence of the pension

scheme deficit does not mean an immediate liability crystallises and is addressed over a series of years through the pension contributions recommended by the pension scheme actuaries during subsequent triennial valuations of the scheme.

The land and buildings on which the Academies operate from are owned by Essex County Council and the Academy continues to occupy the land and premises under licence at a peppercorn rent. This year, a notional value of rent has been included in the financial statements as a donation to the Academies Trust and, likewise, an equivalent rental charge has been included within charitable activities.

Work on the buildings were completed in August 2011 and rectifying defects have been completed. To date, no amount has been brought into the financial statements in respect of the land or the building costs other than those improvements paid for directly by the Academy. All building works have been signed off, the buildings are now in the process of being transferred to the Academy. Once this process is complete the value of the land and buildings will then be capitalised.

a. Financial and risk management objectives and policies

In accordance with the Academy's statutes, the Governors and senior staff are responsible for the administration and management of the Academy's affairs and ensuring that:

- effective systems of internal control are in place and that accounting records are properly kept;
- appropriate financial and management controls are in place to safeguard the assets of the Academy and prevent and detect fraud; and
- the Academy secures economical, efficient and effective management of its resources and expenditure.

b. Principal risks and uncertainties

The Academies principal goal is to safeguard its long-term ability to continue to attract high-calibre staff and deliver an excellent education to Academy pupils, and to maintain and renew its physical facilities whilst driving growth in current pupil numbers.

Key uncertainties are student numbers and the extent and impact of changes to Government funding and an uncertain economic and financial environment that puts pressure on enterprise, capital projects and operational expenditures.

c. Reserves policy

The Governors review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Governors have determined that the appropriate level of free reserves should be equivalent to 2 weeks' expenditure, approximately £550,000. The reason for this is to provide sufficient working capital to cover delays between spending and receipt of grants and to provide a cushion to deal with unexpected emergencies such as urgent maintenance. The Academy's current level of free reserves of £963,000 (total funds before pension reserves but less the amount held in fixed assets).

d. Investment policy and performance

Cash is held in a deposit account or higher interest deposit account to ensure any balances attract interest.

PLANS FOR THE FUTURE

a. Future developments

The Academy will strive to raise the aspirations and achievement of all students within the Academy as well as those in the wider community of East Basildon through the use of the Academy's excellent facilities, curriculum materials and staff expertise and through the provision of excellent learning experiences which will be enhanced by the Academy's specialism of Mathematics and Enterprise.

Our aim is to have high expectations and belief in every child and continue to bring about rapid and sustainable improvement in attendance, behaviour and attainment and make the Academy a place in which children, parents and stakeholders can be justifiably proud.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As directors, we acknowledge we have overall responsibility for ensuring that The Basildon Academies has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of Governors has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Basildon Academies and the Secretary of State for Education. The Accounting Officer is also responsible for reporting to the board of Governors any material weaknesses or breakdowns in internal control.

GOVERNANCE STATEMENT (continued)

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Basildon Academies for the year 1 September 2012 to 31 August 2013 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The Governing Body has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Governing Body is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy's significant risks, that has been in place for the year 1 September 2012 to 31 August 2013 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Governing Body.

THE RISK AND CONTROL FRAMEWORK

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the Finance and Staffing Committees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The Governing Body has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Directors appointed Moore Stephens LLP, the external auditors, in September 2010, to perform additional checks. In order to maintain independence, this role is undertaken by a team that are completely separate to the audit team. The role includes performing a range of checks on the Academy's financial systems as set by the Finance and Staffing Committees and in line with the EFA's requirements. Results are reported to the Finance and Staffing Committees who in turn report to the Governing Body.

The auditors' role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. On a quarterly basis, the auditors report to the Governing Body on the operation of the systems of control and on the discharge of the board of Governors' financial responsibilities.
