Career options in Sociology – Click [here](#) to view information about your options if you are thinking of pursuing a career in Sociology.

The following is a brief explanation of just one of the theories on YouTube. There are also quick videos on the other theories too. These are useful to gain an initial understanding.

Marxism <https://www.youtube.com/watch?v=gR3igiwaeyc>

What is Sociology? <https://www.youtube.com/watch?v=YnCJU6PaCio>

Educational processes such as teacher labelling can affect progress and class, gender and ethnicity may also affect educational achievement. Watch the two video links provided and think about what problems or issues may affect differences in educational achievement amongst these groups. Click on the links below to view the videos.
