

Make a Kilt for Robert Burns

- 1 Choose one of the tartans below to make a kilt for Robert Burns or use the blank template to design your own!
- 2 Cut out the templates for your chosen kilt and sporran below.
- 3 Concertina fold the dotted lines and gather them at the top corners behind the flat centre section, where the crosses are. Secure with a staple or piece of tape.
- 4 Do not staple at the bottom, instead slightly fan the bottom of the kilt out.
- 5 Next cut out and colour your sporran – sticking it over the crosses on the top of the kilt.
- 6 Now you are ready to stick your kilt on to the Robert Burns figure.

This is a concertina fold.

Make a Kilt for Robert Burns

Colour the image below and then stick on your kilt. If you have made your own, you could create a name for your tartan, perhaps something to do with Burns' life or work?
