GCSE English Language AQA – any videos based on this are effective however I have provided links to some key ones I would recommend.

Mr Bruff – does refer to a revision guide. This is available on Amazon however this is not essential to follow the video links.

Excellent playlist for Paper 1 including video for each question, advice from previous exam seasons. These are really helpful.

Mr Bruff from Paper 1 playlist – includes again videos per question, previous exam advice, model answers etc.

-I wouldn't recommend trying to watch a lot at one go and these can be watched more than once. Students often state they have watched them – this doesn't stop watching again!

Mrs Whelan – add her name + GCSE English Language into Youtube + there is a number of video links from this.

Mr Salles – again, use this name for any Language videos.

Please don't worry about the English Literature ones – students tend to fall back into watching these out of familiarity
