TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2022

The trustees present their annual report together with the accounts and auditor's report of the charitable company for the year 1 September 2021 to 31 August 2022. The annual report serves the purpose of both a trustees' report and a directors' report under company law.

Constituted as a Multi Academy Trust the charitable company operates 2 schools the Basildon Lower Academy and Basildon Upper Academy, The Basildon Academy has a roll of 1664 in the 2021 school census.

Structure, governance and management

Constitution

The Basildon Academies Trust is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Academy Trust, The trustees of The Basildon Academies are also directors of the Charitable Company for the purpose of company law.

The Charitable Company is known as the Basildon Academies.

Details of the trustees who served throughout the period are included in the Reference and Administrative details section.

The operation of the Academies and employment of staff remain the responsibility of the Board of Trustees and the trust retains the control of budgets and finances, and monitors these through its Finance Committee.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member. Such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

The Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK Government funds cover losses that arise. This scheme protects Trustees, Governors and Officers from claims arising from negligent acts, errors or omissions occurring whilst on Trust business, and provides cover up to £10,000,000.

Method of recruitment and appointment or election of trustees

It is the Chair's responsibility to consider the range and balance of skills required on the board of trustees. The arrangements for recruitment are set out in the Articles and Funding Agreement.

Policies and procedures adopted for the induction and training of trustees

The training and induction provided for new Trustees will depend on their existing experience. The Trust is committed to providing adequate opportunities for Trustees and Governors to receive suitable training in order to be able to perform their role effectively. Where necessary induction will provide training on charity, education, legal and financial matters.

All new trustees will be given a tour of the Academies and have the chance to meet with staff and students. All Trustees are provided with copies of policies, procedures, minutes, accounts, budgets and any other documents as appropriate to their role.

FOR THE YEAR ENDED 31 AUGUST 2022

Organisational structure

The Governance of the Trust is defined in the Memorandum and Articles of Association together with the funding agreement with the Department of Education.

The Articles of Association have appointed a Board of Trustees to be responsible for the statutory and constitutional affairs of the Charitable Company and the management of the Academy.

Accountability

The Basildon Academies Trust Board of Trustees delegates responsibility for delivery of the vision and strategy to the Executive Headteacher. The Basildon Academies Trust Trustees Board holds the Executive Headteacher to account for the performance of the Trust, including the performance of the academies within the Trust. The Executive Headteacher in turn holds other senior executives to account by line managing them.

The Scheme of Delegation also includes delegation to the Executive Headteacher and Academy Heads of School as well as to the committees of the Board of Trustees. The Board cannot delegate its responsibility or accountability, but delegates some of the detailed scrutiny, oversight and decision-making.

As the Executive Headteacher is accountable to the board for the performance of the Trust as a whole, the Executive Headteacher and Executive Leaders will report to the trust board on the performance of the Trust including on the performance of the Trust's schools, although this may be supplemented by monitoring reports from the FGB.

The Basildon Academies Trust Board determines on a case by case basis whether to delegate some day to day decision making, actions and monitoring concerning the performance of each academy to the Full Governing Body. The number of Trustees shall be not less than three but (unless otherwise determined by ordinary resolution) shall not be subject to any maximum.

The Academy Trust shall have the following Trustees:

- up to 7 Trustees, appointed under Article 50; and
- a minimum of two Parent Trustees elected or appointed under Articles 53- 56 in the event that no Local Governing Bodies are established under Article 100a or if no provision is made for at least two Parent Local Governors on each established Local Governing Body pursuant to Article 101A.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

The Academy Trust may also have any Co-opted Trustee appointed under Article 58. The total number of Trustees who are employees of the academy shall not exceed one third of the total number of Trustees.

The first Trustees shall be those persons named in the statement delivered pursuant to sections 9 and 12 of the Companies Act 2006. 49.

Future Trustees shall be appointed or elected, as the case may be, under these Articles. Where it is not possible for such a Trustee to be appointed or elected due to the fact that an Academy has not yet been established, then the relevant Article or part thereof shall not apply.

The Board will meet as often as is necessary to fulfil its responsibilities and not less than four times in every school year. Meetings will be called by the Chair of the Trust Board.

The trustees are the charity trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the trust in accordance with the provisions set out in the memorandum and articles of association. The board of trustees is the accountable body for the performance of all schools within the trust and as such must:

· Ensure clarity of vision, ethos and strategic direction

Hold the executive to account for the educational performance of the schools and their pupils, and the
performance management of staff

· Oversee the financial performance of the trust and make sure its money is well spent

 and to consider all matters relating to curriculum, staff and pay, finance, students and any general-purpose matters.

The Executive Leadership Team

The Executive Leadership Team includes the Executive Headteacher, Director of Finance and Operations and the Director of Education. These lead the Academy at an executive level implementing policies laid down by the trustees and reporting back to them. As a group the Executive Leadership Team is responsible for the authorisation of spending within agreed budgets.

Both Academies are led by the Executive Headteacher and the executive leadership team. Each academy has its own Senior Leadership Team that includes the Deputy Head and Assistant Heads alongside members of the Executive Leadership Team. These Deputy Heads are responsible for the day to day operation of the Academy, in particular organising the teaching staff, facilities and students.

The Executive Leadership Team are responsible for the authorisation of spending within agreed budgets and for the appointment of staff following vetting and safer recruitment processes. The Trusts Executive Headteacher is the Accounting Officer.

Arrangements for setting pay and remuneration of key management personnel

Pay and remuneration of key management personnel is decided by a variety of contributory factors, such as pay scales, outcomes of Performance Management reviews and any nationally agreed pay awards that are recognised in accordance with the Trust's Pay Policy.

Performance Management reviews are carried out by Line Managers and signed off by the Executive Headteacher. Performance Management review for the Executive Headteacher is carried out by the Chair of Trustees. Trustees are not paid for their roles within the Academy.

Trade union facility time

The number of employees who were relevant union officials during the period was none.

During the Year there was no time spent on facility time and £nil spent on facility time.

Objectives and activities

Objects and aims

The objective of the Trust is to advance for the public benefit education in the UK, establishing, maintaining, carrying on, managing and developing schools providing high quality education to students from all backgrounds by offering a broad and balanced curriculum and fostering collaboration across the Trust schools, other schools, educational establishments, the wider community for the benefit of the community and in line with our ethos, vision and values.

The Basildon Academies Trust's ethos 'Aspire – Believe – Achieve' is reflected in an uncompromising belief from all stakeholders that our students can and will achieve in our learning communities, which are inclusive and supportive.

Vision and values

Ethos

The Basildon Academies Trust's ethos 'Aspire – Believe – Achieve' is reflected in an uncompromising belief from all stakeholders that our students can and will achieve in our learning communities, which are inclusive and supportive.

Vision Statement

The trust's vision is to create and grow inclusive, cross-phase and key stage academies that provide equality of opportunity for young people to achieve academic excellence.

Strategic Goals

- Grow our academies model to incorporate EYFS, KS1 and KS2, expanding to an all-through provider within 3 years.
- 1. Ensure all students achieve their aspirational target grades by accessing quality first teaching in all key stages, with year on year progression against national outcome measures.
- Become a first choice Sixth Form provider, with year on year growth in the percentage of students on academic pathways.
- Increase, year on year, the percentage of post-18 students entering academic pathways, particularly at Russell Group universities.
- Deliver a curriculum for all that is broad and balanced, providing a wide range of cultural capital
 opportunities for students.
- 1. Provide appropriate pathways that support inclusive education for all.
- Maintain financial sustainability, incorporating effective systems & processes that enable a 3-year programme of growth and capital investment.
- Invest in our academies, operational teams and people; grow our own leaders and specialists valuing wellbeing and managing workload.

FOR THE YEAR ENDED 31 AUGUST 2022

Values

SMSC is at the heart of all of our academies.

All academies within the trust set their development objectives under the following values:

S Social Mobility:

Equality of opportunity for our young people to aspire and achieve

M Moral Purpose:

Resillent active decision makers

S Spiritual Awareness:

Reflective citizens & curious learners

C Cultural Capital: •

Equity of opportunity for our young people to aspire & achieve

Our success in fulfilling our aims can be measured by:

· Continued good or better teaching throughout the school

- . The improvement in the gap between disadvantaged groups and other groups of students
- Increased pupil numbers (Year 7, year 12)
- · Trust growth

The Basildon Academies' strategy is encompassed in its strategic goals stated above. To this end it recognises the need to be innovative and challenging in the approach to:

- The subdivision of the two Academies' populations by age range (11-14 and 14-19)
- . The grouping of students
- · The organisation, management and governance of the Academies
- · The building design and organisation of the learning environments
- · The organisation, management and development of staff
- The delivery of services that support individual pupils and familles
- The way business is engaged, and how the two Academies can impact on the prosperity, effectiveness and development of the local community and future business
- · The celebrating of success, the setting of targets and the robust monitoring of performance

Public benefit

The Trustees believe that by working towards the objectives and aims of the Trust as detailed above, they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

The Academy serves the local community by providing resources and facilities for all people of a range of ages. Activities provided through the letting of the facilities are exercise classes, swimming lessons, football, netball and a range of other activities that can be accessed by the local community.

Strategic report

Achievements and performance

The Trust continued its mission to ensure that students achieved their potential in public examinations, encouraged a wide range of extra-curricular activities; developed and retained suitable staff and guided students in suitable progression when they left their school.

The Academies have completed their 12th year of operation and pupil numbers continue to grow.

The Basildon Academies continued achievements during the year ending 31st August 2022 include:

- · Removal of the ESFA FNTi served in 2016
- · Increase in reserves to support future capital investment
- Continued growth in student numbers K\$3,4,5 including increase in mid-term admissions
- Uplift in academic attainment in KS4 & 5 across core subjects Vs 2019
- · Increase the number of post-18 students entering academic pathways
- · UNICEF Rights Respecting Schools Gold Status
- Healthy Schools Enhanced Report status, Essex Child & Wellbeing Service
- Achieved the Wellbeing Award for Schools 2022-25

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Key performance indicators

The Trustees receive regular information from its sub committees to enable them to monitor the performance of the Trust compared to aims, strategies and financial budgets. The performance of the Academies is assessed through:

- · Pupil numbers, retention and admissions
- · Curriculum events
- · Exam results
- · Facilities
- Post 16 learning and students moving onto university
- · Staff Performance Reviews
- Ofsted Rating
- · Trust Performance Summary Review

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of going concern basis can be found in the Statement of Accounting Policies.

The Basildon Academies Executive Leadership Team have continued to review its staffing structure and during the year have continued to monitor the Teacher Contact Ratio, ensuring it falls within the recommended benchmark. This has contributed to continued savings against budget and increasing the reserves that will be used going forward on capital projects.

Financial review

The Academy's' principal source of income if the General Annual Grant (GAG) and other grants that it receives from The Education Skills Funding Agency (ESFA). The grants received during the year ended 31st August 2022 and the associated expenditure are shown in the Statement of Financial Activities.

The Academy also received grants for Fixed Assets. The restricted fixed asset fund balance is reduced by annual depreciation charges over the expected life of the assets concerned. The Lower Academy has been successful in its bid for CIF funding for 2 projects, emergency works to both roof and electrical upgrades. Projects to be completed by February 2023.

As 31st August 2022 the net book value of fixed assets was £46,783,263 (2021: £46,807,852). Movements in tangible fixed assets are shown in note 13 to the financial statements. The assets were used exclusively for providing education and associated support services to the pupils of the Academy.

For the year ending 31st August 2022 the Trust received £11,011,524 (2021: £9,286,584) of GAG funding. The expenditure during the year ending 31st August 2022 equalled £12,790,083 (2021: £10,660,465).

Due to the accounting rules for the Local Government Pension Scheme under FRS102, the Trust recognises a significant pension fund deficit of £1,628,000 as at 31st August 2022. This does not mean that an immediate liability for this amount crystallises and such a deficit generally results in a cash flow effect in the form of increased employer contributions over a number of years.

Reserves policy

The Trustees are aware of the requirement to balance current and future needs and always aim to set a balanced budget with annual income balancing expenditure. The Trustees review the reserve levels annually and monitor any estimated year-end carry forward balances via the Monthly Management accounts received via the Director of Finance & Operations.

The Trust have determined that the appropriate level of free reserves should be equivalent to 2 weeks expenditure, approximately £465,000. The Academy have now been performing at a surplus for a number of years and as at year end 31st August 2022 have returned the Academy with increased reserves position to having a year-end carry forward reserve of £2,581,588 (2021: £1,910,387).

The reserves will be used to support the expansion plan of the Trust and to continue with the 3 year capital investment plan. This plan focuses on upgrading both the IT infrastructure and facilities within both schools to support continued growth in student numbers.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Principal risks and uncertainties

The Academies' principal goal is to safeguard its long-term ability to attract high calibre staff and deliver an excellent education to Academy pupils, and to maintain and renew its physical facilities whilst driving growth in current

Key uncertainties are student number and the extent and impact of changes to Government funding and an uncertain economic and financial environment that puts pressure on enterprise, capital projects and operation expenditures.

The Executive Leadership Team maintain a central risk register that identifies the major risks, to which the Trust is exposed. This register is approved and monitored via the Finance Committee with a formal review undertaken on an armual basis by the Director of Finance & Operations.

Financial and risk management objectives and policies

As a Multi Academy Trust operating two achools, the level of financial risk is low. Cash flows can be reliably forecast, monitored and reported. Staff costs make up the majority of the expenditure and are relatively stable with contingencies in place to cover such items such as sickness and maternity.

The Trust is exposed to a number of financial risks, including credit, cash flow and figuridity risks. The Directors, Governors and Senior Leaders are responsible for the administration and management of the Academy's affairs and ensuring that:

- Effective systems of internal control are in place and that accounting records are properly kept;
- · Appropriate financial management controls are in place to safeguard the assets of the Academy and prevent and detect fraud; and
- . The Academy secures economical, efficient and effective financial management of its resources and expenditure

Plans for future periods **Future Developments**

The Academy will continue to strive to raise aspirations and achievement of all students within the Academy as well as those in the wider community of East Basildon through the use of the Academy's excellent facilities, curriculum materials and staff expertise and through the provision of excellent learning experiences.

Our aim is to have high expectations and belief in every child and continue to bring about further and sustainable improvement in attendance, behaviour and attainment and make the Academy a place in which children, parents and stakeholders can be justifiably proud.

in so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and

the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2022

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that The Basildon Academies has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day to day responsibilities to the Executive Head as Accounting Officer, for ensuring financial controls conform to the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Basildon Academies and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdown in internal control.

Governance **Board of Trustees**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The board of trustees has formally met 4 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

Meetings held:

29/09/21 - combined trustees and FGB meeting 24/02/22 - trustees meeting 23/03/22- trustees meeting 07/07/22 - trustees meeting

From September 2021 The Basildon Academies Trust instigated an overhaul of the governance arrangements of the of the trust ensuring they comply with current model ESFA requirements (as set out in the Academy Trust Handbook 2021). Four new supervisory members and six new trustees were appointed in January and February 2022, respectively.

The 3 meetings held after January 2022 were under the new scheme of delegation (approved in January 2022). Only N. Luckock remained as a trustee from the previous board.

There have been 2 key changes to the composition of the Board of Trustees from January 2022. R. Dangerfield resigned as a trustee on 21st April 2022. Mr O. South was appointed by the Members on 20sh July 2022.

For the six-month timeframe (January 2022 to July 2022) 3 meetings were held providing effective oversight of funds for the timeframe.

This schedule of meetings was shared with the ESFA as our intended schedule for the remainder of the academic year.

A representative from the ESFA attended the second meeting in this 3-meeting cycle (23rd March 2022).

The Board will meet as often as is necessary to fulfil its responsibilities. Meetings will be called by the Chair of the Trust Board.

The trustees are the charity trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the trust in accordance with the provisions set out in the memorandum and articles of association. The board of trustees is the accountable body for the performance of all schools within the trust and as such must:

- · Ensure clarity of vision, ethos and strategic direction
- Hold the executive team to account for the educational performance of the schools and their pupils, and the performance management of staff
- · Oversee the financial performance of the trust and make sure its money is well spent
- and to consider all matters relating to curriculum, staff and pay, finance, students and any generalpurpose matters.

The Executive Leadership of the trust provides the board with written data reports relevant to the agenda of the meeting and the data that is received is of a high standard that is acceptable to the board.

The Academy undertakes a programme of relevant and timely training to support trustees and governors. The Trust board and committees are constituted with relevant experience. Trustees are appointed for their knowledge skills and/or experience in the following areas as required by the Board:

- Corporate and Business Strategy/Development
- · Financial management
- · Asset management
- . Communication, Marketing and PR
- Legal Systems
- · Education QA & standards
- · Special Education Needs
- · County and Local Council
- Executive Head (Trust Performance and Development)

A review is made of skillsets/training requirements as part of self and group evaluations, and this will continue in 2022/23.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Sub-Committees

The Trustees have established committees (Local Governing Bodies and Finance & Planning Committee) either with delegated authority to make decisions or for the purpose of providing advice and support, informing the overall work of the Trust Board. However, these committees are not legally responsible or accountable for statutory functions – the Trust Board retains overall accountability and responsibility.

The responsibilities of board committees are set out in their terms of reference; The Trust Board will appoint committee members and Committee Chairs,

Delegation can be removed if trustees determine that a committee is unable to meet key performance indicators.

Finance & Planning Committee

The trustees have appointed a committee known as the Finance & Planning Committee to act on matters delegated by the Trust Board. The board delegates financial scrutiny and oversight which can support the board in maintaining the trust as a going concern.

Its terms of reference include:

- To review, adopt and monitor a Finance Policy which includes the local scheme of delegation for spending and budgetary adjustments (virements) for the committee, Executive Headteacher and other nominated staff.
- To review, adopt and monitor all additional financial policies, including a charging and remissions policy.
- To establish and maintain a three-year financial plan, taking into the account priorities of the Trust Strategic
 Development Plan and Academy Development Plan, roll projection and signals from central government
 and (if applicable) the LA regarding future years' budgets, within the constraints of available information.
- To draft and propose to the Trust Board for adoption an annual academies budget considering the priorities
 of the Trust Strategic Development Plan and Academy Development Plan.
- To ensure any pay increments as set out in the Pay Policy and as recommended by the CEO/Headteacher are included within the annual budget.
- Other areas of financial management, risk management, management of physical and human resources and management of health and safety issues.

The Finance & Planning Committee combines with the Audit & Risk Committee (in line with ATH para 3.6).

The Trust Board will determine how often the committee meets. The F&P Committee will meet at least 4 times per year.

Conflicts of interest

To manage conflicts of interest, the academy maintains an up-to-date and complete register of interests.

Governance reviews

The trust conducts a self-assessment of governance annually to identify how governance can be improved in subsequent years.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Review of value for money

As accounting officer, the executive head has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer accepts responsibility and accountability for ensuring that the Trust delivers good value in the use of public resources during each academic year and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate.

The Trust is committed to applying the four principles of best value; Challenge, Compare, Consult and Complete.

Improved value for money is delivered during the year by:

- Ensuring all SLA's (Service Level Agreements) are reviewed at point of renewal
- · Obtaining 3 quotes for expenditure over 10k
- · Maximising income from lettings
- · Performance Management for all staff annually
- Reviewing staffing levels and continually streamline where possible and reviewing teacher contact ratio annually

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, alms and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Basildon Academies for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the board of trustees.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- · Delegation of authority and segregation of duties; and
- · Identification and management of risks.

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

The Board of Trustees has appointed an internal auditor SBM Services and has had three additional area checks during the academic year 14 September 2021 to 314 August 2022,

The schedule of work was on the following ereas:

- . Fixed assets and inventory
- Lettings
- . VAT

No material issues were identified.

Review of effectiveness

As Accounting Officer, the Headteacher has responsibility of reviewing the effectiveness of the system of Internal control. During the year in the review has been informed by:

The work of the external auditor

The financial management and governance self-assessment process

The work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee and a plan to address weakness and ensure continuous improvement of the system is in place.

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2022

As accounting officer of The Basildon Academies, I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2021.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

G Smith

Accounting Officer

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2022

The trustees (who are also the directors of The Basildon Academies for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Academies Accounts Direction 2021 to 2022 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law, the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

select suitable accounting policies and then apply them consistently;

observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2021 to

make judgements and accounting estimates that are reasonable and prudent;

· state whether applicable UK Accounting Standards have been followed, subject to any meterial departures disclosed and explained in the accounts; and

· prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company wa continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BASILDON ACADEMIES

FOR THE YEAR ENDED 31 AUGUST 2022

Opinion

We have audited the accounts of The Basildon Academies for the year ended 31 August 2022 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policles. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other Information

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BASILDON ACADEMIES (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our: general commercial and sector experience; through verbal and written communications with those charged with governance and other management; and via inspection of the Academy Trust's regulatory and legal correspondence.

We discussed with those charged with governance and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations to our team and remained alert to any indicators of non-compliance throughout the audit, we also specifically considered where and how fraud may occur within the Academy Trust.

The potential effect of these laws and regulations on the financial statements varies considerably.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BASILDON ACADEMIES (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Firstly, the Academy Trust is subject to laws and regulations that directly affect the financial statements, including: the Academy Trust's constitution; relevant financial reporting standards; company law; the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with FRS 102 (effective from 1 January 2019); the Academies Accounts Direction 2021-22; and we assess the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly the Academy Trust is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on the amounts or disclosures in the financial statements, for instance through the imposition of fines and penalties, or through losses arising from litigations. We identified the following areas as those most likely to have such an affect: legislation directly applicable to charities sector such as the Charities Act 2011, the Academy Trust's funding agreement; the requirements of the Academy Trust Handbook 2021; employment legislation; health and safety legislation; safeguarding legislation; the regulatory requirements of the Education and Skills Funding Agency; data protection legislations; anti-bribery and corruption legislation.

International Auditing Standards (UK) limit the required procedures to identify non-compliance with these laws and regulations to the procedures, and no procedures over and above those already noted are required. These limited procedures did not identify any actual or suspected non-compliance which laws and regulations that could have a material impact on the financial statements.

In relation to fraud, we performed the following specific procedures in addition to those already noted:

- Challenging assumptions made by management in its significant accounting estimates in particular: income recognition, depreciation of tangible fixed assets, and valuation of local government pension scheme deficit;
- Identifying and testing journal entries, in particular any entries posted with unusual nominal ledger account combinations, journal entries posted by senior management;
- Performing analytical procedures to identify unexpected movements in account balances which may be indicative of fraud;
- Ensuring that testing undertaken on both the Statement of Financial Activity (SoFA) and the Balance Sheet includes a number of items selected on a random basis;
- Reviewing the minutes of the meetings of the Governing Body and key sub committees;
- Evaluating internal control and review procedures, and reviewing findings of internal audit reviews;
- · Evaluating and documenting internal controls and testing their application by walkthrough;
- · Reviewing the work carried out for the Regularity Assurance Report.

These procedures did not identify any actual or suspected fraudulent irregularity that could have a material impact on the financial statements.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with International Auditing Standards (UK). For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the procedures that we are required to undertake would identify it. In addition, as with any audit, there remains a high risk of non-detection of irregularities, as these might involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal controls. We are not responsible for preventing non-compliance with laws and regulations or fraud, and cannot be expected to detect non-compliance with all laws and regulations or every incidence of fraud.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE BASILDON ACADEMIES AND THE EDUCATION & SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2022

In accordance with the terms of our engagement letter dated 2 May 2019 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Basildon Academies during the period 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Basildon Academies and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Basildon Academies and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Basildon Academies and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The Basildon Academies's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The Basildon Academies's funding agreement with the Secretary of State for Education dated 1 May 2013 and the Academy Trust Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Reviewing the minutes of the meetings of the Governing Body and key sub committees;
- Evaluating internal control and review procedures, and reviewing findings of internal audit reviews;
- Reviewing action taken as a result of recommendations from internal audit procedures, external audit, and ESFA updates;
- Evaluating and documenting internal controls and testing their application by walkthrough;
- Testing a sample of payments to ensure that they have been authorised in accordance with the Academy's financial procedures and the Academy Trust Handbook.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE BASILDON ACADEMIES AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2022

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

1 Accounting policies

The Basildon Academies is a charitable company. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the trustees' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, le whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

1 Accounting policies

(Continued)

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

The trust increased its capitalisation limit in the year. Assets costing £1,500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. The capitalisation limit has ben increased from £1,000 during the year, as the Trustees consider a value of £1,500 to be more appropriate.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings

Up to 125 years or useful life of improvement

Computer equipment

3-10 years straight line

Fixtures, fittings & equipment

5-10 years straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Stock

Stock is valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal. Provision is made for obsolete and slow moving stock.

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtallments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1,12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

1.13 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from the ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the academy trust does not have control over the charitable application of the funds. The funds received and pald any balances held are disclosed in note 27.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

2 Critical accounting estimates and areas of judgement

(Continued)

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 25, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

In the application of the company's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The only case whereby this arises is in respect of the depreciation policies relating to the fixed assets held by the academy, which are based on the estimated useful lives of the assets.

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £461,376 (2021: £441,706).

10 Central services

No central services were provided by the academy trust to its academies during the year and no central charges arose.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

11 Trustees' remuneration and expenses

One or more of the trustees has been paid remuneration or has received other benefits from an employment with the academy trust. The executive head and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of executive head and staff members under their contracts of employment, and not in respect of their services as trustees.

The value of trustees' remuneration and other benefits was as follows:

Gary Smith (executive head and trustee) (appointed 11 February 2022):

- Remuneration £95,000 £100,000
- Employer's pension contributions £15,000 £20,000

April Gurney (staff trustee) (appointed 11 February 2022):

- Remuneration £70,000 £75,000
- Employer's pension contributions £10,000 £15,000

During the year ended 31 August 2022, no trustees received any reimbursement of expenses (2021 - £nil).

Other related party transactions involving the trustees are set out within the related parties note.

12 Trustees' and officers' insurance

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant

The Academy is not subject to a restriction via its Funding Agreement on the amount of General Annual Grant (GAG) that it can carry forward.

Other DfE/ESFA and government grants

Other grants include grants received from the DfE and Local Education Authorities for specific purposes.

Fixed asset fund

The fixed asset fund includes grants received from the DfE and other sources to finance the purchase of tangible fixed assets.

Pension reserve

The pension reserve is the element of the local government pension fund liability attributable to the Trust.

Transfers

£538,064 was transferred from GAG to DFE capital grants to cover the cost of fixed asset additions. £136,859 was transferred from GAG to DFE capital grants for the contribution for the CIF bid.

24 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.

25 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Essex Pension Fund. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The alm of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. The assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to the TPS in the period amounted to £771,728 (2021: £703,707).

25 Pension and similar obligations

(Continued)

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 25% for employers and 5.5-12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

26 Related party transactions

Owing to the nature of the academy trust and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook and in accordance with the academy trust's financial regulations and normal procurement procedures relating to connected and related party transactions. The following related party transactions took place in the financial period.

T Smith, spouse of G Smith, the CEO, is employed by the academy trust as a staff member. T Smith's appointment was made in open competition and G Smith was not involved in the decision-making process regarding appointment. T Smith is paid within the normal pay scale for her role and receives no special treatment as a result of her relationship to the Head Teacher.

27 Agency arrangements

The academy trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2022 the academy trust received £29,502 and distributed £19,694 from the fund. An amount of £9,808 (2021: £nil) is included in other creditors relating to undistributed funds that is repayable to ESFA.
