Accelerate improvement - work smarter with joined-up data

GO 4 Schools is a powerful, joined-up, online system that supports whole-school improvement in a way no other system does. We make it easy to capture, analyse and share classroom data in real time, allowing your staff, students and parents to make better decisions - daily. It's the efficient, smart and agile way to work with school data.

Core functionality

Keeping the school in the picture, with today's information.

- Powerful
- Incredibly easy-to-use
- Online, 24/7

Core functionality provides teachers, middle leaders, the SLT and students with the very latest information they need, when they need it.

The Modules

- Online Markbooks**: Straightforward, powerful, online markbooks for subject-specific, continuous pupil tracking.
- Behaviour**: Consistent, efficient, online recording and management of rewards and sanctions.
- Attendance**: Online session and lesson attendance recording and analysis.
- Progress Reports**: Efficient production of great-looking student progress reports - saving significant amounts of time & money.
- Parental Engagement**: Promoting parental engagement with online access to today's information and progress reports.
- Homework**: Set and analyse homework to improve consistency of setting and completion.
